Thank you for contacting Becker Associates. We'd like to know more about your concept(s), however, due to the high volume of unsolicited requests we receive, we can not review any new product ideas until we receive a *signed* New Concept Submission Form with your payment.

Attached please find our standard New Concept Submission Form. If it is agreeable to you, please sign and return it to us with your check for \$195.00, made payable to Becker Associates. If you prefer, you can fax a copy and mail the original with a check. We can't review your concept until we receive both your payment and the signed New Concept Submission Form. If you have more than one idea, please make copies and use one sheet per design concept.

We will evaluate your new product concept and advise you as to whether or not we think it's marketable. If we feel we can develop and license your idea, we will send you an Inventor's Agreement to represent your concept. If, on the other hand, we do not feel it is licensable, we will return it to you. You should expect a response within a few weeks.

We look forward to working with you.

Best regards,

Patti Becker
